**Declaration of Commitment
to „The European Charter for Researchers” and
„The Code of Conduct for the Recruitment of Researchers”**

The Nalecz Institute Biocybernetics and Biomedical Engineering of Polish Academy of Sciences (IBBE PAS) represented by Director Professor Adam Liebert, Phd, Dsc – welcomes and supports the initiative of the European Commission and the recommendations given in the European Charter for Researchers and the Code of Conduct for Recruitment of Researchers.

Endorsing the Charter and Code, by IBBE PAS confirms recognizing their value, principles and voluntarily commits itself to apply them. Implementation of the Charter and Code principles will contribute to strive towards removing barriers to researcher’s mobility and foster international collaboration within the European Research Area.
